MUNICIPAL ADMINISTRATION & URBAN DEVELOPMENT (UBS) DEPARTMENT

G.O.MS.No. 185 Dated: 06-06-2018

Read the following:

1. G.O.Ms.No.57 Municipal Administration & Urban Development (UBS) Department dated 05.02.2018
2. G.O.Ms. No. 121 Municipal Administration & Urban Development (UBS) Department dated 31.03.2018
3. From the Director, Municipal Administration, Guntur Letter Lr.No.14026/21/2017- CES-SEC-APMDP, Dated: -04-2018.

O R D E R

Government of Andhra Pradesh decided to introduce "**ANNA CANTEENS**" in all Urban Local Bodies having a population more than 50000 in the State. The purpose of this scheme is to provide food to poor people on affordable cost. The motto is "**SUBSIDIZED HYGIENIC AND AFFORDABLE FOOD FOR POOR PEOPLE**." One of the major objectives for a democratic and welfare country like India is to support and empower poorest section of the society. In spite of the various developmental and welfare activities being taken up by the Governments, Poor still constitutes a major portion of the population struggling to meet their both ends meet. This huge human resource cannot be leftover in search of their daily hunger needs. Various States have started designing schemes towards food for all with an objective of ensuring "No single person should go hungry". One such scheme came out in various states is proving subsidized food to poorest section of the society. Tamilnadu Government started Amma canteens to provide breakfast, Lunch and Dinner to the common man and destitute at affordable price to eliminate hunger. On the similar lines, Karnataka Government also started Indira Canteens in the City of Bangalore and other parts of the State, particularly in Urban Local bodies.

2. Government vide G.O.Ms. No. 121 MA&UD (UBS) Department dated 31.03.2018 have issued orders according revised administrative sanction for construction of 163 Pre-cast Canteens, 33 master kitchens and 40 Canteen cum Kitchens in 14 Municipal Corporations and 57 Municipalities with an estimated cost

of Rs.388.15 Crores and ordered to take necessary further action to call tenders open/e-procurement in a transparent manner by giving wide publicity and directed to establish 203 ANNA CANTEENS in 71 ULBs having a population above 50,000 as per the 2011 census instead of earlier proposals of 14 Municipal Corporations and 4 Municipalities.

3. It is decided to provide food on subsidized rate to the beneficiary. The cost would be Rs 5-Brakfast; Rs 5- Lunch and Rs 5-Dinner. So for an amount of total Rs 15, a poor man has his daily food nourishment. A standard Menu is pre determined and food will be supplied throughout the year without any holidays or break as per the menu. The canteens will be constructed with a built up area of about 750 sft carpet area so as to serve food to minimum of 350 members at a time. To have a good ambience and feel that poor people can have their food in a very hygiene and congenial atmosphere, the size of the canteens is proposed with all modern facilities. The fencing/compound wall provision, Greenery, etc around the canteens will be taken up by the respective ULBs with their own funds. The distribution of food is on self-service with token system, which will be monitored by Electronic display in a transparent manner. Ramp will be provided for physically challenged people for easy access with dining facility separately provided. Similar arrangements also will be made for children. The canteens will be provided with Internet of Things (IOT) for real time Monitoring. The hardware like 32 inch LED Television, Desktop, CC TV Cameras, Bio Metric Devise, Electronic Token Display, Weighing machines, Web Cameras, etc are proposed in each canteen. Similarly software modules like Canteen Management, Accounting, Token Issue, Analytics, etc are also proposed. The RFP is floated to identify the agency/system integrator to supply hardware, software, APPS with 3 (Three) year's maintenance and managerial support and the cost will be paid in 36 instalments to the service provider covering CAPEX and OPEX. Estimated cost of the IOT system..

4. The Kitchens will be provided with modern cooking equipment and world class cutlery by the service providers. The Centralized kitchens will cater up to a distance of 60 KMs or to the areas with a reach of 2 Hours. Another criterion will be maintaining 63 Degrees Minimum as per FSS Act of GOI. An estimated minimum 5 Centralized Canteens in each package will be established by the service provider and if required additional supplementary kitchens will be established to meet the distance/time/heat requirements as noted above. Automated kitchen equipment will be provided with minimal human involvement in preparation and cooking. Standard cooking equipment as per FSS Act conditions will be established by the Service provider. The food will be supplied in SS 304 Stainless Steel plates. The operations will be fully automated from weighing the ingredients to distribution of plated meal for ensuring quantity. The quality will also be tested through online. The entire proceedings will be recorded through CC TV Cameras fixed both in canteens and kitchens. Electronic token system will be introduced and Addahar credentials will be captured for every beneficiary. Where ever Aaadhar is not available, the finger prints/facial recognition of the beneficiary will be captured and stored for future reference and record.

5. The Urban Local Bodies have identified sites with a minimum size of 12x12 Mts in prominent areas **of the town for easy access of beneficiaries. Till date 184 sites are identified in which 96 are Municipal sites and 88 sites are Government sites owned by various departments**. The construction of Canteens

is entrusted to Engineer-in-Chief, Public Health who is responsible for preparation of estimates, designs, tendering, and execution of the works. Engineer-in-Chief, Public Health has called for EPC tendering for selection of Contractor. A uniform type design is provided for all canteens. The Director of Municipal Administration (DMA) will procure Catering Service Providers, Real time Monitoring System Integrator with Hardware in the Canteens. ULBs will take up peripheral development like compound walls, greenery, water/electricity connections, etc.

6. For effective implementation and Monitoring, Committees are proposed at various levels. The Committees proposed to be formed are (a) Governing Committee (2) Technical Evaluation Committee (3) Regional Committee and (4) Urban Local Body Committee

7. Government after due deliberations hereby **(a)** approve Construction of 203 canteens in 71 ULBs and One canteen at Undavalli under CRDA region with an estimated cost of Rs 80.00 Crs as per the designs, specifications, and estimates prepared and finalized and execution by Engineer-in-Chief, Public Health, Guntur. **(b)** Government Department shall spare their sites for construction of Anna Canteens without alienation and District Collectors shall be responsible to handover the sites to the ULBs in the District. **(c)** approve for Procuring Catering Service Providers from reputed NGOs, Trusts, Societies in 3 packages covering 203 canteens with a total estimated cost of Rs 164.00 Crs, out of which Government Subsidy will be about Rs 131.00 Crs per annum on recurring basis. **(d)** approve for engaging System Integrator /Service provider for Real time Monitoring support by establishing hardware, IOT, Development of Software Modules, etc with an estimated cost of Rs 3.00 Crs. **(e)** approve for fixing the beneficiary contribution at Rs 5 for each of the serving i.e.; Breakfast, Lunch and Dinner. Total Rs 15.00 for daily meal. And **(f)** Approval for formation of (1) Governing Committee (2) Technical Evaluation Committee (3) Regional Committee and (4) Urban Local Body Committee for Monitoring the Anna Canteen Scheme in ULBs.

8. The Director Municipal Administration, Guntur and the Engineer-in-Chief , Public Health , Guntur shall take necessary further action in the matter.

9. This order issues with the concurrence of Finance (FMU-I&I,EF&MA) Department vide their U.O.Note No. Fin.UO.No. 44027/131/2018 – FMU-I,E,M, dated 31-05-2018.
